the nole story

nole is a COVID baby. We found a space in Wilton, made some tasty pizzas, had a great summer and thought we'd give Salisbury a punt too.

Both pizza shops opened at the end of lockdown. Uncertain times and unusual circumstances allowed us to try things differently. We're not a restaurant and we're not a takeaway. We're probably somewhere in between, to be honest.

COVID has battered us but we'll still be slinging pizzas out the other side too. We're a little pizza shop with big old plans so bear with us as we sail through the storm.
